

Following the advising and registration procedures in your advising department, prepare for your priority registration advising session. Use the box below as a reminder to avoid having to go through general registration. (Note: Students in the Learning Support program register at the end of the term - inquire in that department for more information.)

Don't Forget!! Advising for Priority Registration

APPOINTMENT DATE

APPOINTMENT TIME

ADVISOR

PRIORITY REGISTRATION DATE/TIME

WHAT QUESTIONS WOULD YOU LIKE TO DISCUSS WITH YOUR ADVISOR DURING YOUR ADVISING APPOINTMENT?

Prior to seeing an advisor, check course listings and complete a tentative schedule in the form below. When choosing classes, be realistic and flexible when considering your schedule.

- ♣ During what times can you attend classes?
- ♦ Include Lab and Review sections for those courses, like science and art classes, which require them.
- ♥ Be sure to list alternate courses to avoid having to make last minute decisions if classes you want are closed.
- ♠ Refer back to *PLANNING FOR PRIORITY REGISTRATION* (in *ACES: P. Reg. Prep*) for descriptions of the registration steps. Also, be on the lookout for OARS Staff members wearing green nametags around campus; these student volunteers are prepared with information to help you through the priority registration process.
- ♣ **Due to changes in the registration process, you should be on alert for up-to-date information. Talk to your advising department and refer to *START UP DOWNLOAD* on the web @ <http://www.aug.edu/startup/>**

REMEMBER: You must have all of your fees taken care of by the due date.

**You will lose your classes if this is not done by the due date.
This includes finalizing any financial aid and any fee waivers or adjustments.**
