

## **SAAC Meeting Minutes Sunday September 25, 2005**

The second SAAC meeting of the 2005-2006 school year began around 5:00pm, September 25, 2005. Christi King, the SAAC secretary began the meeting with going over old business and reading a summary of the minutes from the previous meeting. The President, Jessica Matta was in Spartanburg, SC with Maxine Maloney attending a Conference SAAC meeting.

There were 12 student-athletes present and represented 7 of the 10 athletic teams at Augusta State University.

The first order of business was to discuss the questions that the SAAC representatives were to take to their teammates. The SAAC reps were to find out what topics the student athletes were interested in covering in upcoming seminars. Some of the suggestions made by the athletes were topics on nutrition, networking, and self-defense for the women athletes.

The second topic discussed was the feedback from the teams on the fall athletic orientation. Most transfers and freshmen found it very helpful and informative, while the returnees found it more effective having the new athletes come in smaller groups and have the paperwork filled out by individual teams instead of trying to have it all done with all 160 student athletes present.

The second order of business was to come up with a name for the Community Service Day project that is being planned to take place one day during the Spring. The SAAC representatives came up with the acronym, Jaguars Actively Giving Service. With the help of Kaye Waldrep, some ideas were discussed on where to do community service. Some of the suggestions made were nursing homes, schools, boys and girls clubs, and children's hospitals. Each SAAC representative present named a place that they would call to establish a contact that they will be able to communicate with when the time gets closer to the spring. The specific date for this activity is to be determined.

The next SAAC meeting was set for Sunday October 9, at 5:00pm in the classroom at the Christenberry Field House. The topics to be discussed are t-shirt ideas for the SAAC reps, survey questions for the end of the year athletic banquet and any information from the contacts for the community service project.

Meeting was adjourned around 6pm.
