

## Abbreviated Minutes from SAAC meeting on Sunday, November 16, 2008

The student-athletes in attendance were Angii Vebeelen, Alex Sickman, Brittany Torain, Anna Lindeborg, Tomara Lucccioli, Leann Barber, Kara Kreutzer, Tom Wright, and Daniel Dixon. Coach Mullins, who will be assuming responsibility for SAAC in Coach Cornett's place, was helping to lead the meeting.

1. New SAAC meeting times: Thursday nights, around 8:45pm
  - a. Bring class schedules and team schedules to the next meeting to compare available times
  - b. The next meeting will be Tuesday, January 6, 2009, at 8:00pm**
  - c. We invite all the coaches to join us on the January 6 meeting
  - d. SAAC needs to be more active and be a priority, starting now
  
2. Make-A-Wish projects
  - a. Successful fundraising at exhibition basketball games last week (\$1.00 donations at door)
  - b. Tree Lighting Downtown: Need volunteers to work "Elf station" on December 6, starting 3:30pm. Volunteers wear khaki pants and white sweaters, help kids with elf quiz. Other volunteers collect Make-A-Wish money. Each team bring 1-2 people. Angii –email out information.
  - c. Other project ideas: Date Auction, involve rest of campus, auction off date with athletes at school event, successful at other schools.
  
3. Jags Week: Spring, probably too difficult with teams in season. Look at individual teams finding service projects
  
4. Legislative Grids: ASU SWA's looked at the proposed legislation too, voted. Very parallel to SAAC reps' votes. But on Proposal #12, Administration supported the break in practice for exams, while SAAC reps had voted "Oppose" (commenting that practice time could be limited in exam time, like 10 hours, etc). Administration wanted maximum of time for studying and schoolwork
  
5. Athletic Banquet coming up, need to plan venue (thinking Amphitheater is ideal), possible themes, program, slideshow, food, etc.
