

Top 10 Things  
I've Learned from Working at  
Augusta State University  
BY: Angel Tiller-Payroll Office

- 1 How to use a 10-key calculator...so I no longer have to use my fingers and toes!
- 2 Creative math truly exists. Need an example? See a timesheet.
- 3 A nursing degree is definitely what I need to get OUT of Payroll. These people are truly nuts!
- 4 Deadlines...they definitely have a whole new meaning.
- 5 How to do 12 hours worth of work...in an 8 hour day.
- 6 Organization is a true necessity!
- 7 I can laugh and cry in the same minute.
- 8 Love is patient, love is kind, never rude or easily angered and keeps no records of wrongs. Payroll is....well, .... NOT!
- 9 I've learned 101 reasons why timesheets are turned in late.
- 10 People think that Monday at 10:00am really means . . . Tuesday at 4:00pm.
