

Augusta State University

Graduate Course Fees and Other Costs

Registration at the beginning of each term is not complete until all general fees have been paid and no student may be admitted to classes without having met his or her financial obligations.

Expenses are charged and payable by the semester since each term constitutes a separate unit of operations. You may enroll at the beginning of any semester. To ensure sound financial operation and conformity with the policies of the Board of Regents, certain regulations must be observed.

Tuition and fees may be paid in cash or by check, Visa Card, MasterCard, or Discover Card. All payments are made in the Business Office, except for credit card payments, which may also be made via ELROY web registration system. A \$25.00 service charge is assessed on any check that is not paid on presentation to the bank on which it is drawn. A student is given ten working days to clear a returned check given to pay tuition and fees. If the check is not cleared within the specified period, the student's enrollment is canceled and the check is given to Public Safety for collection.

Augusta State University reserves the right to withhold all records (diplomas, transcripts, etc.) and/or revoke enrollment of students who fail to meet financial obligations to Augusta State University. All matriculation charges, board, room rent, or other charges are subject to change at the end of any semester. Fees and charges are set forth below.
