In preparation for the Faculty Meeting Tuesday, February 27, 2006, 2:30 p.m.

Present:

William Bloodworth, Jr. (Chair), President
Tom Crute, Arts and Sciences; **Thomas Deering**, Dean of Education; **Richard Harrison**, Education; **Jeff Heck**, Faculty Secretary; **Jonathan Mallett**, Vice President of the Student Government Association; **Isaac McAdams**, President of the Student Government Association; **Marc Miller**, Dean of the College of Business; **Robert Parham**, Dean of Arts and Sciences; **Sam Robinson**, Arts and Sciences; **Bruce Saul**, Arts and Sciences; **Samuel Sullivan**, Vice President for Academic Affairs; **Cathy Tugmon**, Chair, Faculty Policies Committee; **Dan Whitfield**, Vice President for Business Operations; **Brigitte Ziobrowski**, Business Administration.

President Bloodworth called the meeting to order at 3:00 p.m.

Agenda Items

I. Approval of the Minutes from January 11, 2007, available at: http://www.aug.edu/faculty_secretary/ucmin_01_11_2007_draft.pdf

The minutes were approved as distributed.

II. Academic Policies Committee – Dr. Edgar Johnson

1. Items passed unanimously by APC, for Information Only (**See Attachment A**)

The council discussed several items on the agenda listed as “for information only,” which seemed possibly to contradict rules found in the faculty manual concerning proposals that affect more than one college (agenda items 1, 2, 3, 11, 27, 45, 81, 82) or affect core areas A-E (agenda item 57). Dr. William Bloodworth reminded the council that its options were to adopt the committee’s recommendation or send items back to the committee for further consideration.

The text of the faculty manual entry, in section 204.1.2 is:

The Academic Policies Committee reviews curriculum recommendations from the colleges and forwards these to the University Council along with the committee’s recommendation.

If, however, the membership of the committee thinks that some matter is largely routine or is the exclusive concern of one college and therefore does not require consideration by the faculty as a whole, it may, after conferring with all academic deans, and with their approval, and with a unanimous vote, give final approval to the recommendation. Any addition, deletion, or deactivation of a program, major, minor, or area of concentration, or any change to areas A-E of the core must be considered by the faculty as a whole.

MOTION: Dr. Marc Miller moved that the agenda proceed as is, with the proviso that Academic Policies consult all deans and groups involved to insure that the items are properly classified as “for information only;” for many of these items, groups such as the Teacher Education Council had already considered the needs and wishes of all units involved. Items that remain as not properly classified will be reclassified for faculty vote. The Academic Policies Committee will provide a representative at the faculty meeting to explain the classification of these items.

VOTE: unanimously in favor

There was also concern that item 21 on the agenda includes an advising sheet which includes mention of a course already removed from the catalog.

Dr. Samuel Sullivan inquired about options if there were a dispute concerning the categorization of the items. Dr. Bloodworth responded that faculty could recommend it be removed and returned to committee.

III. Report of the President

President Bloodworth appreciates the responses by those faculty who have submitted their evaluation of him and the other senior officers on campus. He particularly finds the comments useful. Dr. Sullivan asked if making the survey an annual event would be practical. Dr. Bloodworth indicated it would be and should be easy to do.

Dr. Bloodworth also mentioned two additional items to be considered on the faculty agenda.

MOTION: Dr. Sullivan moved that Dr. Holly Carter’s presentation on our study overseas program be presented at the faculty meeting.

VOTE: all in favor

MOTION: Dr. Brigitte Ziobrowski moved that an item proposing the naming of the new golf house be placed on the agenda. The proposed name is the J. Fleming Norvell Golf House.

VOTE: all in favor

IV. Announcements

none

The meeting adjourned at 3:28 p.m.
