FINANCIAL AID AGREEMENT FOR PREPARATORY COURSEWORK

As a potential recipient of Federal Work Study, Federal Perkins Loan and/or Federal Stafford Loan funds,

I certify that I am enrolling in required courses to pursue teacher's certification/recertification or to be accepted in a degree program.

I will register for at least six (6) credit hours of coursework per semester as designated on the required course listing, below, provided by my advising department.

I understand that this agreement must be submitted, annually, along with my Stafford Loan Request, before any Federal Work Study, Federal Perkins Loan and/or Federal Staff Loan funds will be awarded.

I also understand that courses taken to raise my GPA are prohibited, and if I deviate from the required annual course listing, I must repay any and all funds received.

I understand that if I drop below six credit hours of required coursework during the loan period, all subsequent loan disbursements will be canceled.

Should I receive Federal Work Study, Federal Perkins Loan or Federal Stafford Loan funds for which I do not qualify, I understand that I will be required to repay those funds, in full, prior to being able to reenroll or receive further financial aid.

I acknowledge that I have read and understand the above items.
