

REPTILES: GATORS AND TURTLES (STILL REPTILES!)

Crocodylia

❖ Alligatoridae – **alligators**

- *Alligator*
 - *American alligator*

❖ **Testudines**

❖ Chelydridae - **snapping turtles**

- *Chelydra*
 - *Common snapping turtle*
- *Macrochlemys*
 - *Alligator snapping turtle*

❖ Kinosternidae - **musk and mud turtles**

- *Sternotherus*
 - *Stinkpot*
 - *Striped-neck musk turtle*
 - *Striped musk turtle*
 - *Loggerhead musk turtle*
- *Kinosternon*
 - *Eastern mud turtle*
 - *Striped mud turtle*

❖ Emydidae - **box, pond and marsh turtles**

- *Terrapene* - **box turtles**
 - *Eastern box turtle*
 - *Three-toed box turtle*
 - *Gulf Coast box turtle*
- *Malaclemys* - **diamondback terrapins**
 - *Carolina diamondback terrapin*
- *Graptemys* - **map turtles**
 - *Map turtle*
 - *Barbour's map turtle*

➤ *Chrysemys* - **painted turtles**

- *Eastern painted turtle*
- *Midland painted turtle*

Pseudemys – **cooters, sliders & etc.**

- *River cooter*
- *Florida cooter*
- *Red-eared turtle*
- *Yellow-bellied turtle*

➤ *Deirochelys* – **chicken turtle**

- *Eastern chicken turtle*

❖ Testudinidae – **tortoises**

- *Gopherus*
 - *Gopher tortoise*

❖ Cheloniidae - **sea turtles**

- *Caretta*
 - *Loggerhead sea turtle*
- *Eretmochelys*
 - *Hawksbill sea turtle*
- *Lepidochelys*
 - *Kemp's Ridley sea turtle*
- *Chelonia*
 - *Green sea turtle*
- *Dermochelys*
 - *Leatherback sea turtle*

❖ Trionychidae – **soft shelled turtles**

- *Trionyx*
 - *Florida soft-shelled turtle*
 - *Gulf Coast soft-shelled turtle*

REPTILES:LIZARDS

Squamata

❖ **SUBORDER LACERTILA OR SAURIA - LIZARDS**

❖ Polychridae – **anoles**

- *Anolis* – **anoles**
 - *Green anole*
- *Cnemidophorus* – **racerunners and whiptails**
 - *Six-lined racerunner*

❖ Scincidae – **skinks**

- *Eumeces* – **skinks**
 - *Ground skink*
 - *Five-lined skink*

- *Broad-headed skink*
- *Southeastern five-lined skink*
- *Northern coal skink*
- *Georgia red-tailed skink*

❖ Anguidae – **glass lizards and alligator lizard**

- *Ophisaurus* – **glass lizards**
 - *Island glass lizard*
 - *Eastern slender glass lizard*
 - *Eastern glass l*

REPTILES: SNAKES

❖ **SUBORDER SERPENTES - SNAKES**

❖ **Colubridae – typically harmless snakes**

- *Haldea – earth snakes*
 - *Rough earth snake*
 - *Eastern smooth earth snake*
 - *Striped swamp snake*
- *Nerodia – water snakes and salt marsh snakes*
 - *North Florida black swamp snake*
 - *Banded water snake*
 - *Midland water snake*
 - *Northern water snake*
 - *Red-bellied water snake*
 - *Yellow-bellied water snake*
 - *Queen snake*
 - *Glossy water snake*
 - *Brown water snake*
 - *Green water snake*
 - *Florida green water snake*
- *Storeria – brown snakes and redbelly snakes*
 - *Midland brown snake*
 - *Florida brown snake*
 - *Northern red-bellied snake*
 - *Florida red-bellied snake*
- *Thamnophis – garter, ribbon, lined snakes*
 - *Eastern garter snake*
 - *Eastern ribbon snake*
 - *Southern ribbon snake*
- *Heterodon – hog nosed snakes*
 - *Eastern hog-nosed snake*
 - *Southern hog-nosed snake*
- *Diadophis – ringneck snakes*
 - *Northern ringneck snake*
 - *Southern ringneck snake*
- *Carphophis – worm snakes*
 - *Eastern worm snake*
- *Rhadinaea*
 - *Yellow-lipped (pine woods) snake*
- *Farancia*
 - *Eastern mud snake*
- *Coluber – racers*
 - *Northern black racer*
 - *Southern black racer*

- *Masticophis – coachwhips and whipsnakes*
 - *Eastern coachwhip snake*
- *Opheodrys – green snakes*
 - *Rough green snake*
- *Drymarchon – indigo snakes*
 - *Eastern indigo snake*
- *Elaphe – rat snakes*
 - *Black rat snake*
 - *Yellow rat snake*
 - *Gray rat snake*
 - *Corn snake*
- *Pituophis – pine and bull snakes*
 - *Northern pine snake*
 - *Florida pine snake*
- *Lampropeltis – king and milk snakes*
 - *Scarlet kingsnake*
 - *Eastern kingsnake*
 - *Eastern milk snake*
 - *Mole snake*
 - *Scarlet snake*
- *Tantilla – crowned and blackhead snakes*
 - *Southeastern crowned snake*
- ❖ **Elapidae – coral snakes**
 - *Micrurus*
 - *Eastern coral snake*
- ❖ **Viperidae – (subfamily viperinae) pit vipers**
 - *Agkistrodon – copperhead and cotton mouths*
 - *Northern copperhead*
 - *Southern copperhead*
 - *Eastern cottonmouth*
 - *Southern cottonmouth*
 - *Sistrurus – pigmy and massasauga rattlesnakes*
 - *Carolina pigmy rattlesnake*
 - *Dusky pigmy rattlesnake*
 - *Crotalus – rattlesnakes*
 - *Eastern diamondback rattlesnake*
 - *Timber rattlesnake*
 - *Canebrake rattlesnake*

AMPHIBIA: SALAMANDERS AND NEWTS

❖ *Orders For Class: AMPHIBIA*

Caudata (Urodela)

- ❖ Cryptobranchidae – **hellbenders**
 - *Cryptobranchus*
 - *Hellbender*
- ❖ Proteidae – **mud puppies and water dogs**
 - *Necturus*
 - *Mudpuppy*
 - *Alabama mudpuppy*
 - *Dwarf waterdog*
 - *Mobile waterdog*
- ❖ Amphiumidae – **amphiumas**
 - *Amphiuna*
 - *Two-toed amphiuma*
- ❖ Sirenidae – **sirens**
 - *Siiren*
 - *Greater siren*
 - *Eastern lesser siren*
 - *Pseudobranchus*
 - *Slender siren*
 - *Broad-striped siren*
 - *Narrow-striped siren*
- ❖ Ambystomatidae – **mole salamanders**
 - *Abystoma*
 - *Mole salamander*
 - *Frosted flatwoods salamander*
 - *Spotted salamander*
 - *Marbled salamander*
 - *Eastern tiger salamander*
- ❖ Salamandridae – **newts**
 - *Diemictylus*
 - *Red-spotted newt*
 - *Central newt*
 - *Striped newt*
- ❖ Plethodontidae – **lungless salamanders**
 - *Desmognathus* – **dusky salamanders & kin**

- *Appalachian seal salamander*
 - *Northern dusky salamander*
 - *Southern dusky salamander*
 - *Cherokee salamander*
 - *Blue Ridge salamander*
 - *Cliffside salamander*
 - *Golden shovel-nosed salamander*
 - *Husky shovel-nosed salamander*
 - *Plethodon* – **woodland salamanders & kin**
 - *Rabun bald salamander*
 - *Georgia red-backed salamander*
 - *Slimy salamander*
 - *Zigzag salamander*
 - *Aneides* – **green/climbing salamanders**
 - *Green salamander*
 - *Hemidactylum* – **four-toed salamanders**
 - *four-toed salamander*
 - *Gyrinophilus* – **spring salamanders**
 - *Northern spring salamander*
 - *Pseudotriton* – **red and mud salamanders**
 - *Northern red salamander*
 - *Southern red salamander*
 - *Black-chinned red salamander*
 - *Gulf Coast mud salamander*
 - *Eastern mud salamander*
 - *Eurycea* – **brook salamanders**
 - *Long-tailed salamander*
 - *Three-lined salamander*
 - *Northern two-lined salamander*
 - *Southern two-lined salamander*
 - *Blue Ridge two-lined salamander*
 - *Cave salamander*
 - *Dwarf salamander*
 - *Haideotriton* – **blind salamanders**
 - *Georgia blind salamander*
-

AMPHIBIA: FROGS AND TOADS

❖ **Pelobatidae – spadefoots**

- *Scaphiopus or Spea*
 - *Eastern spadefoot*

❖ **Bufonidae – toads**

- *Bufo*
 - *American toad*
 - *Southern toad*
 - *Fowler's toad*
 - *Oak toad*

❖ **Hylidae – tree frogs**

- *Hyla - tree frogs*
 - *Northern spring peeper*
 - *Southern spring peeper*
 - *Green tree frog*
 - *Eastern gray tree frog*
 - *Squirrel tree frog*
 - *Bird-voiced tree frog*
 - *Pine woods tree frog*
 - *Little grass frog*
- *Pseudacris – chorus frogs*
 - *Ornate chorus frog*
 - *Mountain chorus frog*
 - *Southern chorus frog*
 - *Upland chorus frog*
 - *Brimley's chorus frog*
- *Acris – cricket frogs*
 - *Northern cricket frog*
 - *Southern cricket frog*
 - *Florida cricket frog*

❖ **Ranidae – true frogs**

- *Rana*
 - *Pickerel frog*
 - *Northern leopard frog*
 - *Southern leopard frog*
 - *Carolina dusky frog*
 - *Florida dusky frog*
 - *Carpenter frog*
 - *Green frog*
 - *Bronze frog*
 - *River frog*
 - *Wood frog*
 - *Pig frog*
 - *bull frog*
- ❖ **Microhylidae – narrow mouth toads**
 - *Gastrophryne*
 - *Eastern narrow-mouthed toad*
