

Welcome to the Westside High School Annual Local Competition 2009!

- I would like to welcome all Science Olympiad Division C High School teams willing to make the trek to Westside High School in Augusta, Georgia to join us.
- It is once again time for the Annual Westside High School Invitational. We are ready to compete, and looking forward to having you join us, not only for the competition, but for lunch and brain-storming sessions.
- We will offer the following events as a warm-up for the 2010 Regional:

1. Forensics – Qualitative Analysis of Unknown Substances.
2. Chemistry Lab – Aqueous Solutions.
3. Picture This – Biology, Chemistry, and Physics Vocabulary “AP Science *Pictionary*”.
4. Physics Lab – Alternative energy.
5. Cell Biology – Hard-Core, Brain-Draining Paper Exam.
6. Ornithology – *Jeopardy* style exam using clickers.
