

Augusta State University
HOMECOMING 2006
Paint the Town Blue Day
www.aug.edu/homecoming/

Sunday, February 5, 2005. The student organization that wishes to participate must select a business, contact that business and confirm that with the Student Activities Office by Friday, January 27. A list of area businesses operated by Alumni will be provided if needed. Student organizations must provide their own supplies. If a business does not have a window to paint, a banner may be hung in the business (again, clear this with the business). **The window or banner must have the student organization name, ASU Homecoming date, times of games, and be decorated with Homecoming Spirit.** The banner/window must be cleaned up/torn down by Wednesday, February 15.
