

Augusta State University
HOMECOMING 2006
Student Organization Spirit Day
www.aug.edu/homecoming/

Wednesday, February 8 will be Student Organization Spirit Day along the sidewalk from Allgood to University Hall from 10 am – 1pm. Student Organization members should wear their t-shirts, buttons, letters, to show their pride and spirit for their organizations. Student Organizations who are interested in participating in this day should offer an activity at their booth (a game, display, info on the club, recruit) and information about their organization and any pertinent college issues. Student Organizations that have sponsored a candidate **MUST** have a booth. Organizations will not be allowed to have the same kind of booth (ie, there will not be several bake sales), so sign up early so your group gets your first choice. Organizations wishing to take advantage of this opportunity should complete the bottom portion of this memo and return to the Student Activities Office by **January 27**. For questions, more clarification, or to get ideas for your booth, please contact Kay Phillips-Crabb at 737-1609 or stop by the Student Activities Office. Please have your table set **BY 10:00 am** and staffed for the **entire time** of the event (until 1pm).
