

Library Committee Meeting
Minutes
October 3, 2001

The Library Committee met in the Reese Room of the Library and was called to order at 3:10 by the chair, Ric Topolski.

Present: Ric Topolski (chair), Judy Fitch, Charles Jackson, Alice Pollingue, and Bill Nelson

Ric presented a draft report assessing the needs of the Library. The VPAA requires that the Committee submit such a report every fall. There was extensive discussion regarding the report. Ric will incorporate changes and have a final draft of the report for the next meeting.

The other item of business was consideration of a new Faculty Library Survey. There was discussion on how the survey would be constructed and administered. It was agreed that the basis of the survey would be the Student Library Survey conducted in the spring of this year, modified appropriately for faculty. Ric will bring a draft of the new survey to next meeting.

The next meeting was scheduled for November 7 at 3:10 p.m. in the Library Conference Room.
