

Library Committee Meeting
Minutes
October 2, 2002

Members present: Ric Topolski (chair), Bill Nelson, Judy Fitch, Lynn Cadle, Alice Pollingue, and Nancy Sutherland

The committee was called to order at 4:10pm.

The draft of the Library Committee Proposal prepared by Ric Topolski was reviewed by the committee members and suggestions for changes were made.

Dr. Topolski remarked that after the proposal was complete, the student survey would need some modifications from its last administration. It was suggested that the student respondents included too many freshmen who may not have had much experience with the library. The next survey should utilize a sampling method to ensure students at all class levels are included at least equally.

Bill Nelson provided the committee with an overview of the current funding levels for books and periodicals. Bill also responded to questions regarding the online databases maintained by GALILEO.

The meeting was adjourned at 4:50pm. The next meeting is scheduled for November 6th at 1:00pm.

Respectfully submitted,

Judy L. Fitch
