1. Christine Terry (Chair) called the meeting to order at 1:37 pm.
2. The minutes from the October 23rd meeting were approved.
3. The primary agenda of the meeting was to review the library's new website, which is set to go online near the first of the year. Bill Wells gave an overview presentation of the website. He noted the introduction of more dropdown menus to help patrons in navigating the site. He asked for feedback from the committee about the website and items for potential improvement. Several informal suggestions were made at the meeting. Bill also suggested the committee members send suggestions for improvement of the site to Jeff Heck at [jheck@aug.edu](mailto:jheck@aug.edu). In addition to the new website, it was also noted that GALILEO will be updated soon.
4. At our next meeting, we will begin to formulate/discuss items that need to be included in this year's committee report. Christine will put together an initial draft of this report for discussion.
5. The meeting adjourned at 2:20 pm, at which time many of the committee members visited the display of photos on life and culture in India by photographer and author Robert Arnett.

Respectfully submitted,  
Chad Stephens  
Secretary
