CD ROMS

- _____ CDR 60 The Reading Program: English Builder (Part 3)
Short interesting passages are read loud; there are brief
interactive exercises, such as "match the columns" that you can do
with the click of your mouse. The speaker has a clear British
accent. Whether you answer the questions correctly or incorrectly,
you get immediate feedback.

- _____ CDR 53, 54 Plato Learning- K-Adult Curriculum
And 55 (This CD contains 40 vocabulary items from each of these areas,
namely literature, social sciences, history, science, technology.
There are three types of exercises: Study, Practice, and Test. You
may study the words through flashcards, you may practice them in
context, and when you are finished, you may be tested. This is a
fun program. You can also listen to the new words. In this way,
you can learn how to pronounce each word.)
