Minutes of Chapter Meeting  
April 23, 2008 Noon  
Jaguar Student Activities Center Coffeehouse (2<sup>nd</sup> floor)**

The business meeting was called to order by Ray Whiting, chapter president. The minutes of the March 26, 2008 were approved.

Pam Jackson reported that it appeared that the chapter did not receive enough donations from members to cover all the initiate's meals at the banquet. Camilla Reid said she thought all the meals were covered and that there might be some confusion; she said she would send updated information to Pam.

The Bylaws Committee (Jeff Heck, Fay Verburg and Chris Goss) will continue to meet over the summer and have a revised version of the bylaws ready for chapter vote at the first meeting in the fall. The goal is to bring the chapter's bylaws in sync with the new PKP national bylaws.

Kathy Schofe reported on the progress of the chapter e-newsletter and asked for additional submissions.

The remainder of the meeting was given over to the last installment for the year of the Phi Kappa Phi Arsenal Lecture Series: "The Perfect Professor: Defining the Consummate Academic" The presenters were Debbie Van Tuyl (Communications & Professional Writing), Judi Wilson (Teacher Education), and Brigitte Ziobrowski (Hull College of Business). A light lunch was provided for attendees.

Respectfully submitted:
