

ASU Toy Drive & Holiday Department Decorating Contest

~~~~~

Our Purpose is to donate as many toys as we can to enrich the lives of the children who are under the care of the Child Enrichment Program of the CSRA.

“Last Christmas, Augusta State University staff, faculty, and students helped to provide Christmas for 279 children. Each child received four age appropriate toys, two stuffed animals, one book and stocking stuffers...

The children laughed, played and appeared to not have a concern or worry in the world. For a child who has suffered abuse or has no safe permanent home, it is a wonderful feeling to know that someone cares about you. That

is what you have done for our children. Santa Claus exists in people like you.”

~ April, Mandy, Annette, and Ginette  
Child Enrichment Staff
