The following are the Goals of Augusta State University:

Augusta State University will ensure success of its students and improve community access to excellent academic programs by:

1. Assisting and encouraging students to become intellectually and ethically informed individuals with defined skills and knowledge, who are capable of leadership and creative endeavors and have an appreciation of the importance of lifelong learning;
2. Maintaining high-quality academic programs in which curricular offerings are continuously updated to meet the needs of a rapidly changing world and a dynamic career marketplace;
3. Improving recruitment, retention, and satisfaction of students through effective marketing, adequate course offerings, convenient course scheduling, and programs that meet the needs of traditional and nontraditional students who are diverse in ethnicity, gender, background, age, and academic preparation;
4. Hiring, retaining, and developing highly proficient faculty, staff, and administrators;
5. Providing and maintaining superior technology and facilities to support the university's educational purposes;
6. Making Augusta State University education as seamless as possible with K-12 and other accredited colleges and universities;
7. Providing educational, cultural, and professional services to the community through continuing education programs, performing arts programs, faculty and staff public service and consultation, and technological resources and programs;
8. Improving the community's economic development by producing graduates who meet employers' needs and expectations, by faculty and staff participation in economic development programs, and by marketing the university as an economic asset;
9. Following the most effective "best practices" for university business and services.

The following are the goals of the Office of Student Activities:

1. to serve as a campus information resource for students
2. to help students realize their potential as successful citizens of their community by providing opportunities and experiences that will enhance and develop skills of our students
3. to serve as an advocate for students
4. to improve and expand student development and training programs for student leaders and student staff
5. to develop an action plan concerning quality customer service that our department will implement and provide to our customers (students)
