## Undergraduate Certification Meeting

Date: April 29, 2010

Time: 10:00 a.m.

Place: Ballroom, JSAC

Please note: This is a different location than previous certification meetings.

\*\*This meeting is for undergraduate students who are currently enrolled in apprenticeship and will graduate in May.

\*\*Due to the large amount of certification paperwork which must be processed at this time of the semester, please save all certification questions for the meeting.

\*\*You do not need to request your ASU transcripts from the Registrar's office. They are automatically sent to the certification office after graduation.
