

Augusta State University M.Ed., Ed.S. Graduate Field Experience Collaborating Teacher Information

Thank you so much for agreeing to accept an Augusta State University Graduate Student for this field experience in your classroom.

We appreciate your agreeing to be a part of this partnership. We know the field experience will be valuable for ASU's graduate teacher candidate, and we hope that it will be valuable for your students as well.

Here are a few points about the Field Experience:

- Graduate teacher candidates are certified teachers who are not currently employed as a classroom teacher and are working on an advanced degree in education. Most have had "teacher training," with some actually teaching for periods of time.
- We would like for graduate teacher candidates to spend most of their time actively participating with learners under your supervision.
- Graduate teacher candidates will bring a "Collaborating Teacher Packet" on their first day. It will contain contact information on the teacher candidate, a contract which you and the graduate teacher candidate should go over together and sign, a log sheet which the graduate teacher candidate will present to you after each visit for you to sign verifying the hours spent under your supervision, and a final evaluation form. Please give the signed contract, the log sheet and the evaluation form to the teacher candidate on the final visit to return to the instructor. Please keep copies for your files.
- Instructions for completing the final evaluation of the teacher candidate can be obtained from the Building Coordinator or just type in the link provided on the third page (see the teacher contract) and complete the form. Please complete the evaluation prior to the final day of the candidate's scheduled experience and review the results with the candidate. You will also want to print a copy and give it to the teacher candidate. The evaluations must be completed by:
FALL SEMESTER- December 1st
SPRING SEMESTER- May 1st

Again, we appreciate your willingness to host our graduate teacher candidates and give them this opportunity to work with your students.

Please contact ASU if you have questions or concerns:
