

LIVETEXT PRINTING INSTRUCTIONS

You need to adjust the print settings to make sure the background prints. Here's how to do this:

FireFox Browser

- Click File on the Menu
- Click Page Setup
- Check the box next to Print Background (colors & images)
- Click the OK button

Internet Explorer Browser

- Click Tools on the Menu
- Click Internet Options
- Click the Advanced Tab
- Scroll down to Printing
- Check the box next to Print Background colors and images
- Click the OK button

After you set the browser to print background colors/images the colored boxes will be visible when you print your evaluations.
