

## Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Upgrade ASU Avid Editing Systems  
Requestor's name and email: Dr. Jim Garvey jgarvey@aug.edu  
Department/Organization: Chair of Communications Committee / LLC  
Date: October 27, 2004  
Estimated Project Cost: 32,778.70

Brief summary of the project:

The University purchased 2 state of the art Avid Editing systems that are now five years old and need to be upgraded to current standards. This project updates both Avid systems and purchases two additional software packages to install on current computers. This would increase students access from two to four Avid Systems on campus. The Avid systems are a draw for ASU, especially for students interested in pursuing film and video careers. Students gain exposure on the most up to date and widely accepted systems in the industry. Most of all the top post production facilities around the country use this type of editing system.

Estimated cost for years 2 and 3: None

Will this project become a recurring expense?  Yes  No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize:  Yes  No

The two additional software systems could be funded at another time.

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. Comm Students/Students that use Media Ser. 1014

How does this project support academic/instructional activities?

These systems support the students creating and editing video and film projects in courses at ASU.

If the submitting organization is an academic or administrative department, is this project included in the unit plan?  N/A  Yes  No
