

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: New printers for the computer labs
Requestor's name and email: Chip Matson (cmatson@aug.edu)
Department/Organization: Information Technology Services
Date: October 22, 2004
Estimated Project Cost: \$5,533
Brief summary of the project:

ITS is requesting funding for three laser printers. Two for the writing center (\$1775 ea.) and one for the new 24 hour computer lab (\$1983) in University Hall.
Over 5500 students use the campus and departmental computer labs.

Estimated cost for years 2 and 3: Nothing additional from the student technology fee

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

Funding could be approved for (1 - \$1775), (2 - \$3550), or (3 - \$5533) laser printer(s).

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 5500+ students

How does this project support academic/instructional activities?

Students use the computer labs to print homework and class assignments and to do research over the Internet. The campus computer labs are an integral part of the instructional activities.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
