

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Campus Card
Requestor's name and email: Mark Brown mbrown30@aug.edu
Department/Organization: Special Projects
Date: March 1, 2004
Estimated Project Cost: \$3000
Brief summary of the project:

Two PCs are required to host the software, cameras, and printers for the new campus card system that is urgently needed to replace the aging Polaroid system currently in use by Student Activities.
The PCs will run the software (that has already been purchased) that takes the photos, captures student signatures, and then prints the cards.
The old Polaroid system is expensive, obsolete and in real danger of breaking down again.

Estimated cost for years 2 and 3: \$0

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

The two PCs are needed to run the two separate sets of printers and cameras to ensure that the re-carding of students is handled quickly and smoothly - especially at the start of the semesters.

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 6000 (all students)

How does this project support academic/instructional activities?

Campus card project will enable the university to introduce new services such as the ability to remove Social Security numbers from ID cards, introduce new security services such as secure after hours access.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
