

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Sociology Team Lab
Requestor's name and email: Dr. Robert Johnston/ Joycelyn E. Tucker
Department/Organization: Sociology
Date: March 3, 2004
Estimated Project Cost: \$8,864.00

Brief summary of the project:

Our team lab is in need of additional computers, color, and black & white printers and scanners.

This additional technology will enable our students to continue working on projects without interrupting other computer labs. Professors and students will have a place to conduct study sessions.

(I believe that Dr. Johnston sent you a proposal last year). This is just the estimated figures.

Estimated cost for years 2 and 3: \$17,728

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Students will be asked to provide some of the supplies for use (such as paper and staplers) for their use. We provide cartridges and ink for them.

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

We would request 3 computers and 1 printer. We would continue to ask for displaced computers and printers for our student lab. We would love to have new equipment, but would welcome any use ones.

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. Our lab is open to all students daily.

How does this project support academic/instructional activities?

Professors use this lab for students; especially the Professors who teach Research Methods 11. Other department professors and student use it for research, and small group projects.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
