

## Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Adobe After Effects Software Update  
Requestor's name and email: Dr. Jim Garvey jgarvey@aug.edu  
Department/Organization: Communications / LLC  
Date: March 8, 2004  
Estimated Project Cost: \$3,154.00

Brief summary of the project:

Bring all the Communication Labs Computers up to version 6.0

Adobe redesigned After Effects making the application much more robust, added vector-based painting, a new text with titling and text-animation capabilities. Adobe implemented Open GL to speed up the display of 3-D effects. The keylight keying tools are another excellent addition, previously available for \$5000.00 from the Foundry.

Estimated cost for years 2 and 3: Zero

Will this project become a recurring expense?  Yes  No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize:  Yes  No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. Students taking Comm Courses - Fall 03 - 958

How does this project support academic/instructional activities?

Students continue to study, learn and work with the most current and preeminent animation and compositing package on the market.

If the submitting organization is an academic or administrative department, is this project included in the unit plan?  N/A  Yes  No

To attach supporting documentation, click the Submit button. Use your email attachment feature to add the files before sending the email.

**Submit**

**Reset**

Submit form via email to this year's chair (Chip Matson, I. T. Services, Hardy Hall 7, 737-1484)

If the submit button does not invoke your email package, print the form and submit to Chip Matson in Hardy Hall 7.
