

## Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Computerized Career Program  
Requestor's name and email: Ginny Luke vluke@aug.edu  
Department/Organization: Counseling and Testing Center  
Date: March 5, 2004  
Estimated Project Cost: \$960  
Brief summary of the project:

We are requesting this money to provide students with two computerized programs that will help them with all levels of career decision making. The DISCOVER program (\$850) will allow students to take online inventories, get detailed information about hundreds of occupations, search programs of study, get school information and learn job-seeking skills. The Myers-Briggs (\$110) computerized version will allow students to find out about their own personalities and a list of careers that will match.

Estimated cost for years 2 and 3: \$1000 per year

Will this project become a recurring expense?  Yes  No

If the answer is yes, what are the plans for funding recurring expenses?

The funds will be used to renew the contracts on an annual basis.

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize:  Yes  No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. All students will have access to the programs.

How does this project support academic/instructional activities?

This project compliments the mission of our University to advance the knowledge of our students. These programs will help undecided students to fully explore careers and aid in the selection of a major.

If the submitting organization is an academic or administrative department, is this project included in the unit plan?  N/A  Yes  No
