

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Webcasting ASU Athletics
 Requestor's name and email: Clint Bryant cbryant@aug.edu
 Department/Organization: Athletics
 Date: March 10, 2004
 Estimated Project Cost: 8,000.00
 Brief summary of the project:

The purpose of the project is to webcast ASU Athletic events to a diverse group regionally, nationally and internationally. This would benefit both students, potential students and prospective student athletes. It would also serve as a means to provide alumni, boosters, fans, parents, faculty and staff with ability to witness ASU athletic competition and events from anywhere in the world. We see it as a major imaging piece for the university as well as a educational enhancement for a variety of students in varying degrees.

Estimated cost for years 2 and 3: Year 2 purchase a monitor @ 1500.00, none in yr.3

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. Thousands

How does this project support academic/instructional activities?

It gives an opportunity for students to have on hands experience in broadcasting, production, programming, communications, marketing and promotions. It gives students the ability to participate in class projects.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
