

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Jaguar Student Center Technology
Requestor's name and email: Eddie Howard, Jr. / ehoward2@aug.edu
Department/Organization: Student Activities
Date: October 12, 2005
Estimated Project Cost: \$38,300 (per the quoted list attached)

Brief summary of the project:

The new Jaguar Student Center is adding a Cyber/Internet Cafe, which will add another computer lab area for our students to utilize. This additional workspace will add approximately 16 new desk top computers in addition to 4 lap tops and 5 other desk tops computers to be housed in the new student center. The Cyber/Internet Cafe is just another way we are adding to the value of the student life and enhancing their chances for academic success.

Estimated cost for years 2 and 3: _____

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

The 16 new desktops for the Cyber/Internet Cafe and the 5 additional desk tops for the Student Activities Office are more of a priority than the 4 laptops computers.

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 6000 + students

How does this project support academic/instructional activities?

It gives students another computer lab area to write papers, research class projects and develop ideas. This area will also assist in cutting down on the wait time for a computer.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
