

# Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Jaguar Student Center Technology  
Requestor's name and email: Eddie Howard, Jr. / ehoward2@aug.edu  
Department/Organization: Student Activities  
Date: October 12, 2005  
Estimated Project Cost: \$6,764.00 (see attached quote)

Brief summary of the project:

In an effort to bring new and innovative technology to our students and give them a competitive edge in the marketplace, we are proposing the purchase of (2) Polyvision Walk and Talk interactive whiteboards for our conference and meeting rooms. The Walk and Talk boards are state of the art technology and allow our students to not only "plug and play" with a laptop for presentations or group projects, but they can also interact with the board and their presentations. This white board allows students to write "in" their presentations or projects and then print, in real time, what they have written on the board. The board may also be used as a simple white board for brainstorming sessions.

Estimated cost for years 2 and 3: No additional cost until after the 5 year contract

Will this project become a recurring expense?  Yes  No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize:  Yes  No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 6000 + students

How does this project support academic/instructional activities?

It gives students access to technology they may encounter in future occupations and affords them the opportunity to be on a level playing field with students from larger universities.

If the submitting organization is an academic or administrative department, is this project included in the unit plan?  N/A  Yes  No
