

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Upgrade Mac Lab software
Requestor's name and email: Debbie van Tuyl (dvantuyl@aug.edu)
Department/Organization: LL&C
Date: October 18, 2005
Estimated Project Cost: \$6,400
Brief summary of the project:

This project will purchase the new version of Adobe Creative Suite (2 Premium) and a new 11 x 17 color printer for the Mac Lab in Allgood Hall.

Estimated cost for years 2 and 3: Year 2=0; Year 3=replacement cost.
Will this project become a recurring expense? Yes No
If the answer is yes, what are the plans for funding recurring expenses?
This software has to be replaced every two years

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No
Either item could be purchased -- the software or the printer. The software would be the first priority; the printer the second priority.

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. All ASU students

How does this project support academic/instructional activities?

It is used to teach both major and core courses in communications, art classes, and I am currently working with a special-needs student to help him use the lab's facilities to create his honors project.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
