

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Computerized Career Program
Requestor's name and email: Ginny Luke vlake@aug.edu
Department/Organization: Counseling Center
Date: March 17, 2005
Estimated Project Cost: \$875

Brief summary of the project:

We are requesting this money to continue to provide students with a computerized program that will help them with all levels of career decision making. The DISCOVER program will allow students to take online inventories, get detailed information about hundreds of occupations, search programs of study, get school information and learn job-seeking skills.

Identifying a Career or a Major.

Estimated cost for years 2 and 3: \$875 per year

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

The DISCOVER program is a one year contract. Last year the Student Technology Fee paid for the contract. Each year, the contract is renewable.

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. All students will have access to program.

How does this project support academic/instructional activities?

The project complements the mission of our University to advance the knowledge of our students. This program will help student to fully explore careers and aid in selection of a major for undecided students.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
