

# Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Electronic Student Course Reserves 24/7/365  
Requestor's name and email: Camilla B. Reid  
Department/Organization: Reese Library  
Date: March 8, 2005  
Estimated Project Cost: \$ 8,829

Brief summary of the project:

Propose purchase and implementation of Docutek ERes, an electronic reserves product to benefit students completing required reading assignments using materials provided by classroom faculty in the Library. Material is available online instead of in print at the library's Circulation desk.

See attached sheet which outlines the following advantages: 24/7/365 availability from any internet-connected computer; convenient printing capability; copyright monitoring; usage tracking; physical space savings; timeliness; security; integration with the online catalog; ease of use.

Estimated cost for years 2 and 3: \$4,454

Will this project become a recurring expense?  Yes  No

If the answer is yes, what are the plans for funding recurring expenses?

Future requests for Student Technology Fee funding  
Continuing funding request to Academic Affairs

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize:  Yes  No

Instead of purchasing the \$1,500 per year off-site hosting service, Information Technology Services could provide onsite hosting.

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. All students required by faculty to use reserves

How does this project support academic/instructional activities?

Library reserves supplement students' textbooks and may substitute for them. Students are required to complete assignments based on reserve reading. Electronic access will be reliable and convenient.

If the submitting organization is an academic or administrative department, is this project included in the unit plan?  N/A  Yes  No
