

# Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Ink and Paper for workstations in Ceramics/Sculptu  
Requestor's name and email: Priscilla Hollingsworth, pholling@aug.edu  
Department/Organization: Fine Art Dept.  
Date: March 23, 2005  
Estimated Project Cost: \$366.75

Brief summary of the project:

Student Technology Fees funded the purchase of 2 student workstations to be placed in the Ceramics and Sculpture Labs. Students are now using these workstations to learn Photoshop and some Dreamweaver. They are documenting their 3D artwork with digital images and are posting some of the images on the web. But we are out of ink and paper, and our department does not have funds to purchase these. We are asking for ink and paper to cover students' use of these 2 workstations for the coming year.

Estimated cost for years 2 and 3: When we run out of ink, we'll apply again.

Will this project become a recurring expense?  Yes  No

If the answer is yes, what are the plans for funding recurring expenses?

We will apply for Student Technology Fees again. If we can't get the fees, we'll have to collect money from students taking ceramics and sculpture classes.

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize:  Yes  No

This is a minimal proposal, but we'll take whatever we can get.

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 100

How does this project support academic/instructional activities?

It supports them directly because students are now being assigned digital image projects in their ceramics and sculpture classes.

If the submitting organization is an academic or administrative department, is this project included in the unit plan?  N/A  Yes  No

To attach supporting documentation, click the Submit button. Use your email attachment feature to add the files before sending the email.

Submit form via email to this year's chair (Rose Axton, Media Services, University Hall, 737-1703)
