

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: ASU Italian Studies Abroad
Requestor's name and email: Janice Williams Whiting; jwhiting@aug.edu
Department/Organization: Fine Arts
Date: March 28, 2005
Estimated Project Cost: \$1600.00

Brief summary of the project:

I would like to take a small, digital, DVD recorder to Italy. At the recent Phi Kappa Phi Student Symposium, a short film one of the students presented promoting the Salamanca, Spain program. It should be a great recruiting tool for the director, Dr. Sandarg. My thought is to let each one of the students participating in this summer's ASU Italian Studies Abroad Program use the camera in order for me to create a collection of Italy seen through many different student eyes. I would hope to find some students to help me with the editing process upon returning home. I may need new software to do this, but at this time, I am asking for monies for a camera and insurance for it.

Estimated cost for years 2 and 3: for editing software - and I am not "there" yet

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. Approximately 14 each trip to Italy

How does this project support academic/instructional activities?

The Board of Regents has mandated us (all schools) to strive to send 4% of our student body abroad. This will be a good recruiting tool to help reach that goal.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
