

## Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Purchase upgrade for Finale software (Finale 2005)  
Requestor's name and email: Robert Foster, rfoster@aug.edu  
Department/Organization: Fine Arts Department  
Date: October 21, 2004  
Estimated Project Cost: \$670.00 total (\$325 each of 2 Lab Paks, plus S&H)

Brief summary of the project:

Upgrade our music notation software (Finale 2005) to stay current with its usage in the Keyboard/Computer Lab and the corresponding Music Technology courses. Music faculty would also be using the software

Estimated cost for years 2 and 3: Similar pricing for annual upgrades (\$670 per yr)

Will this project become a recurring expense?  Yes  No

If the answer is yes, what are the plans for funding recurring expenses?

Student Technology Funds, Year End funds, and/or ETC.

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize:  Yes  No

One Lab Pak could be purchased instead of two; however, it would be problematic to try to teach a class using more than one version of the software.

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 30-50

How does this project support academic/instructional activities?

Music students need to learn computer notation software. Finale is generally considered to be the best standard program in academia and in the music profession. Faculty also needs to stay current.

If the submitting organization is an academic or administrative department, is this project included in the unit plan?  N/A  Yes  No
