

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Adobe Photoshop for select student labs
Requestor's name and email: Catherine Barner
Department/Organization: ITS
Date: March 24, 2005
Estimated Project Cost: \$5,000.00
Brief summary of the project:

Add image editing software to UH 162 teaching lab and select computers in UH131 (24 hour lab). This would enhance student learning by providing tools in the classroom for instruction and then have another location for them to follow-up on out-of-class assignments.

Estimated cost for years 2 and 3: _____

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Every 2 years will need to evaluate the need for upgrading current software.

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. Approximately 1/2 our students would benefit.

How does this project support academic/instructional activities?

Many students are required to create web pages as part of their class requirements - Teacher Education and some Business majors are just a few of the majors that would benefit.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
