

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Large Format Printer
Requestor's name and email: Deborah S. Richardson, drichardson@aug.edu
Department/Organization: Psychology/College of Arts and Sciences
Date: March 29, 2005
Estimated Project Cost: \$10000

Brief summary of the project:

ASU students frequently have an opportunity to present their work/research at national, regional, or local professional or student conferences. Often the format of the presentations is posters. At recent conferences, we have noted that our posters appear rather amateurish in comparison to those presented by students from other universities. Whereas most of our poster presentations involve PowerPoint slides backed by construction paper, other universities provide equipment and technology that allows students to prepare more professional presentations. A large format printer allows the presenter to incorporate text and graphics and make a much more attractive, and professional, presentation.

Estimated cost for years 2 and 3: \$500 for paper, ink

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. hundreds

How does this project support academic/instructional activities?

Our students could use this equipment to prepare presentations in many classes. In addition, opportunities to present at conferences is strongly encouraged as a means of demonstrating student accomplishments.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
