

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Student Computer Labs - 2nd Floor Science Hall
Requestor's name and email: Urban, Emil K, - eurban@aug.edu
Department/Organization: Biology
Date: March 15, 2005
Estimated Project Cost: 646.48

Brief summary of the project:

The above cost is to purchase eight (8) HP C4096A microfine toner cartridges for laser printers in two student study labs on the second floor of the Science building. Present cost through Office Depot on line is \$80.81/cartridge.

These printers were supplied via Student Technology Fees and use of these printers is not limited to Biology Major but rather to any students who uses the study room/computers/printers located in these two rooms. These computer printers benefit all students utilizing the Science Building.

Paper is supplied by the Biology Department at our expense.

Estimated cost for years 2 and 3: dependant of # of cartridges purchased +/- \$600/yr

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 1000+

How does this project support academic/instructional activities?

Students use these printers for reports, papers and research articles for various classes and are NOT limited to biology, chemistry, psychology who are housed in this building.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
