

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Nursing Proposal for Technology Update
Requestor's name and email: Charlotte R. Price
Department/Organization: Nursing
Date: March 18, 2005
Estimated Project Cost: \$12,515
Brief summary of the project:

This request is for replacement of 8 of the oldest computers in the nursing computer laboratory. The cost is about \$1500 per computer (\$12000). The nursing computer laboratory is heavily used because the programs reinforce critical nursing concepts and provide remediation opportunities. Half of the sixteen computers in the nursing computer laboratory are outdated and incompatible with the newer software and web based programs. This request also includes a wireless remote control mouse (Key Span about \$60.00) and \$455 for a digital camera package, including an extended memory card and rechargeable battery. These items will enhance classroom presentations by both students and faculty.

Estimated cost for years 2 and 3: _____

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

While both parts of the request are linked to student success, they are independent of each other. The computers are the highest priority for the Nursing Department.

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 160

How does this project support academic/instructional activities?

The computer laboratory is an important teaching strategy used for delivery of the nursing curriculum. Students are expected to demonstrate skills in teaching and communication through class presentations.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
