

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: OnCommand Software
Requestor's name and email: Matthew Jennings (mjennin@aug.edu)
Department/Organization: Media Services
Date: March 29, 2005
Estimated Project Cost: \$1600.00

Brief summary of the project:

New software for computer management to replace Deep Freeze in the Media Center. Many students have needed to be able to install new updates or drivers for their devices or software to run on the computers. Currently they need an administrator (staff member) to install for them. We would need 20 copies @ \$80.00 each for a total of \$1,600.

Estimated cost for years 2 and 3: _____

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 300 - 500

How does this project support academic/instructional activities?

This will allow students more freedom to install new components to run programs as the need to in the Media Center.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
