

Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Small Student PC Labs E-2012 and W-2008 Support
Requestor's name and email: Dane Scarff drscarff@aug.edu for Lynda Lotz
Department/Organization: Biology
Date: October 2, 2006
Estimated Project Cost: \$960.00 or less
Brief summary of the project:

The Biology Department has provided all Science Hall students with two small PC labs. These consist of two PCs and one printer in each room. This request is for support of the two printers in the form of toner cartridges. The students use in excess of 10 of the HP 96A laser jet cartridges yearly. All other support comes from ITS or the Biology Dept. The cost of each cartridge is approximately \$80.00 and this request is for 12.

Estimated cost for years 2 and 3: \$0.00

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

The cost of a single cartridge is approximately \$80.00. This request is for 12.

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 1000/year

How does this project support academic/instructional activities?

There is an extremely high use of these PC labs by students of several departments and they use them for many different classes.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
