Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Science Hall Study Area Computers
Requestor's name and email: Cathy Barner/David Saunders (cbarner@aug.edu)
Department/Organization: ITS
Date: October 4, 2007
Estimated Project Cost: \$5,600.00
Brief summary of the project:

The campus added additional student study areas (with computers) in the Science Hall in 2007 and we were short 4 computers. Therefore, we need the additional computers to complete this project.
Students in the Science Hall have benefited from having this additional computer study area and it is being heavily utilized.

Estimated cost for years 2 and 3: _____

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Yes, since all computers have a finite life span. These machines will need to be replaced in three to four years.

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. All students

How does this project support academic/instructional activities?

These study area provide resources for individual and group work and puts the resources in the places that students gather.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
