Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Software upgrades: Web, Page Layout, Photos
 Requestor's name and email: Edgar La Motte & Cathy Barner - elamotte@aug.edu
 Department/Organization: Media Services & ITS
 Date: October 8, 2007
 Estimated Project Cost: \$4,000.00

Brief summary of the project:

Media Services provides web publishing, page layout, and photo imaging support to a broad variety of classes on campus including, but not limited to Marketing majors, Digital Photography students, and Education majors. In addition, students come to Media Services for printing and for assistance in using these special applications. Having current versions of the software is important to helping students prepare their projects.

Also, Media Services is a backup resource for our Art Lab and Communications Lab that students can access when classes are in session in these labs.

Estimated cost for years 2 and 3: _____

Will this project become a recurring expense? Yes No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize: Yes No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. All students are eligible to use these resources

How does this project support academic/instructional activities?

Provide consistent and current software for instruction and student use.

If the submitting organization is an academic or administrative department, is this project included in the unit plan? N/A Yes No
