

## Augusta State University Student Technology Fee Proposal Form

Please complete the following information for projects to be submitted to the Student Technology Fee Committee.

Title of project: Cisco Academy  
Requestor's name and email: Sam L. Robinson (srobinson@aug.edu)  
Department/Organization: Mathematics and Computer Science  
Date: October 17, 2007  
Estimated Project Cost: \$30,500

Brief summary of the project:

We are working with the HCOB and the local community, especially with the Fort Gordon IT School, to create a needed IT curriculum. The networking portion of the IT curriculum can be achieved by becoming a Cisco Academy. Cisco curriculum is supplied free of cost to academic institutions. The costs associated with becoming a Cisco Academy are associated with equipment and instructor training. Equipment only is requested in this proposal.

Estimated cost for years 2 and 3: \_\_\_\_\_

Will this project become a recurring expense?  Yes  No

If the answer is yes, what are the plans for funding recurring expenses?

Could a portion of this project be funded and still be viable? If the answer is yes, please explain and prioritize:  Yes  No

Please estimate the approximate number of students that will benefit either directly or indirectly from this project. 150 CSCI majors + ? MIS majors

How does this project support academic/instructional activities?

This approach addresses a community need and will increase student enrollment in CSCI & MIS programs.

If the submitting organization is an academic or administrative department, is this project included in the unit plan?  N/A  Yes  No
