

Low Fire Clay (cone 04 up to about cone 6)

75 lb. Lizella (in burlap bag)
10 lb. Hawthorn Bond
15 lb. Ball Clay (OM4)
= 100 lb. dry materials
+Slop, +Water
OR, use the slop method:
Slop + Lizella to taste

This clay will fire to cone 9-10 reduction also. At that temperature it will be a dark, intense brown. Tightly fitting lids may stick slightly.
